COORDINATOR AND PARTNERS

- **POLAND:** *The Poleski Art Centre;*
- **BULGARIA:** *Theatre Tsvete in Sofia.*

The participants of the project, mainly cultural and educational instructors, took part in the training course *The use of interactive puppet in adult education*, organized by the Theatre Tsvete in Sofia, Bulgaria.

They acquired knowledge of animation work using techniques of forum theatre, puppets, masks and drama. The project has also motivated and inspired them to use creative work in environments of people at risk of exclusion.

The results of the projects are shared with other instructors at regional, national and international levels. During the International Biennial of Theatre Meetings *Therapy and Theatre* organized by the Poleski Art Centre, the participants of the mobility conducted classes for therapists from Poland and abroad, working with the disabled, addicted and detainees.

Also during the event *Touch Theatre*, which has been an interdisciplinary form of popular theatre education, methods and techniques of theatre forum were presented while implementing workshops for seniors.
