PARTNERS

- Reaching mutual understanding across Europe by sharing a common transversal competences' validation and certification model
- Releasing an upgrade of the LEVER Validation of Prior Learning (VPL), with a stronger link with the National Qualification Frameworks (NQFs) and with the European ECVET, EQF and EUROPASS
- Building on the pilot phase to create a "full speed" service for transversal competence certification at European level
- Fostering the links between the Volunteering, VET systems and the labour market realities and policies

Partnership

Nine international partners from Italy, Belgium, Poland, Spain and the Netherlands,

Representing the main stakeholder groups: volunteering; civic service; vocational training; labour market and enterprises.
