WHAT TO DO TO GROW YOUR TRAINING PROCESS

STEP 01

Relevant knowledge, skills and competencies

Determine skills and competencies' gap for higher education adapting to ESCO and DigComp to initiate a successful transition of New European Bauhaus principles and Society 5.0.

STEP 02

Define learning outcome

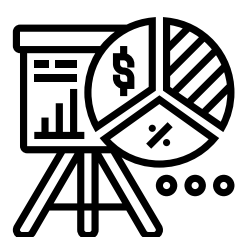

Start creating relevant content with the specific duration and relevant ETCS points

STEP 03

The training path and pedagogical methods

Providing training contents in a modular system of higher education curriculum

STEP 04

E-learning platform and Training tools

Using e-learning platform included training contents with the assessment questionnaire, videos, PPTs, reports and publications or interactive and practical exercises for enhancing the training process
